

Musa, volta a sottolineare il confort con il design e la dinamicità. L'armonia delle sue forme e la sua leggerezza la rendono unica ed esclusiva. La sua natura di sistema componibile e trasformista per tutto l'arco della sua vita, la rende un prodotto camaleontico e dinamico che si plasma ad ogni ambiente ed esigenza. I pouf in concerto con gli schienali nelle diverse misure, permettono di realizzare le fantasie stilistiche e geometriche che un sistema di seduta possa immaginare. Musa esalta il piacere di rilassarsi in qualunque ambiente essa trova posto anche laddove le esigenze in termini di spazio impongono determinati limiti.

Musa is meant to emphasize the comfort through the design and dynamism. The harmony of its shape and its lightness make it unique and exclusive. Its modular and transforming system for its entire life span make it a chameleon and dynamic product which molds to any environment and need. The pouf in tune with the armrest in the various sizes permits the realization of stylistic and geometric fantasies that a seating system can imagine. Musa exalts the pleasure of relaxing in any environment it is positioned and even where there are space limitations.

Musa schienale lo si può accoppiare con il pouf in ogni momento per mezzo di un sistema di fissaggio semplice, veloce e sicuro.

Musa armrest can be matched with the pouf in any moment through a simple, fast, and safe fixture system.
